News from Nova Scotia

Islandora Camp

Melissa Anez, Project & Community Manager, Islandora Foundation

The Islandora Foundation invites you to join us in Halifax, NS, for Islandora Camp, taking place July 18 - 20 at Mount Saint Vincent University.

Registration is now open and Early Bird rates are available until April 1st:
https://islandora.ca/camps/hrm2018

Islandora is an open-source software framework designed to help institutions, organizations, and their audiences collaboratively manage and discover digital assets using a best-practices framework. Born at the University of Prince Edward Island and built on a base of Drupal, Fedora, and Solr, Islandora releases solution packs which empower users to work with data types (such as image, video, and pdf) and knowledge domains (such as Chemistry and the Digital Humanities).

Islandora Camp is a three-day event consisting of two days of conference-style sessions and one day of hands-on training led by expert instructors from the Islandora community.

We hope you can join us!

The Islandora Team
