

Library Staff and Technicians Interest Group Updates

Alexandra Tome, Convenor

I have a couple of updates from the Library Staff and Technicians Interest Group. The first one being **Alexandra Tome** is now the Convenor for the group. The second update is that the group is still meeting monthly, but we are now adding monthly themes to our meetings. The theme for November is Professional Development: what is it and where can we find it?

All clerks, assistants and technicians are welcome to join us. Our November meeting is November 30, 2022 from 11:30am to 12:30pm. For anyone interested in joining, please email libtech@apla.ca

If you are not in the listserv for the interest group, please email libtech@apla.ca and I will try to get that sorted.

Library Staff and Technicians Interest Group: APLA

Professional Development

What is it and where can we find it?

Nov 30, 2022 | MS Teams 11:30am to 12:30pm

Our November meeting will be an opportunity for library staff and technicians to share where they find professional development opportunities.

We will also define PD and explore who PD is for.

Email libtech@apla.ca for more information

Monthly Meeting

The graphic also includes a 'Monthly Meeting' window with four avatars and a button to email libtech@apla.ca for more information.
