

APLA President Report

May 2024

Krystal Dionne

General Duties

It has not been very long since my last report but I have continued to engage with the Executive on matters pertaining to APLA, Awards, the Conference and other projects and discussions. I have also continued to share pertinent information & opportunities to the listserv from various groups and organizations.

The Partnership

I continue to share information about The Partnership workshops and educational opportunities as they arise. We have allocated a portion of the budget to cover our share in the Job Board upgrade that will take place over the summer.

Finance Committee

The Finance Committee met to go over the budget before sharing with the Executive Team for approval.

Conference News

I have been an active member of the 2024 Conference Team, available for insights from previous years and to participate in the Moderator/IT roles for various sessions.

Respectfully submitted,

Krystal Dionne
