

## Feature Article

### View from the Library

**Submitted by Louise Mould, Holland College, Tourism and Culinary Centre Library, Charlottetown, PEI**

This is the first of, what we hope, will be a regular feature in the APLA Bulletin titled “View from the Library”

This photo was taken from Louise Mould’s office in Charlottetown.

We encourage others to submit photos to [Bulletin@apla.ca](mailto:Bulletin@apla.ca)

Photos can be from your office window. For those who work within four walls composed exclusively of bricks and mortar, you can also submit photos with views from other spots in the library.
